Paul also questioned whether notices had been sent to those who did not pay Dues last year.

Charlie reported as of now we do not have insurance on MAASMC participants. The premium increase of 200 % is cost prohibitive. He is waiting on some quotes.

If affordable insurance is not available we need to advise MAASMC of no coverage.

There was also a discussion to raise the dues to \$16.00 to cover the additional premium.

Dale Clemmons from Shrine Savers gave a presentation on this discount venture for Shriners. Access is by Internet :shrinesavers.com. Access is free and there are several discounted programs available. He particularly noted the shipping of vehicles for Imperial for \$350.00 from the east coast, depending on participation.
