COMMITTEE REPORTS:

By-Laws and Rules Committee:

Fall Convention:

Don Ferguson reported that the Awards Party would again be held at the Surfside at a cost of \$7.50/plate, he also confirmed that there will be no Officers Meeting at MASA, but that the General Meeting would be held at 11:00 AM in the Convention Center. Discussion was had on the need for a motor home to use at the drill field – Charlie Curtis will contact dealers in VA Beach for possible rental.

Competition Committee:

Jesse Stoltz stated that he and Miles Cochran were planning on weighing all classes of 4 wheelers in attendance at MASA and hopefully the records would remain on file for future use. After a brief discussion it was decided to weigh 2 cars in each unit or division after they completed the obstacle course. Jesse also expressed concern as to what the committee's duties were and who the contact people were. Charlie appointed a committee to clarify this and to decide where to print it in the Scrambler. The committee will consist of Jesse Stoltz, Chairman, Mel Harrison & Bill Skinner.

WEB page Committee:

Charlie Curtis reported that he has secured a new web-master, Mark Hartz from Boumi, and that he had already made some updates to the web site.

Scrambler Committee:

Charlie Curtis reported that he had secured Communique from Virginia Beach to print the Scrambler as he was unable to get prices from any other sources on such short notice. The deadline would be July 26 to get things to the printer. He also reported that they would be able to mail the Scramblers via bulk mail if we were interested. After a brief discussion, it was decided that that would not be necessary.

Uniform Committee:

Bill Skinner stated that he would be getting a sample of a jacket for possible use for the officers and/or the members. It was brought to his attention that some of the Ladies had received shirts that were men's shirts instead of women's.

Trophy & Awards Committee:

Bill Skinner reported that he would have to have the trophy count by July 26 so he could get them to the trophy company in time.

Insurance Committee:

Charlie Curtis reported that no new information was available and that we could not secure insurance similar to what we had that maybe we should stop trying and possibly lower the dues. It was decided to table this so he could continue to attempt to get information.

Membership Committee:

Miles Cochran reported that he had mailed a letter to every known unit in the Mid-Atlantic Region to try and stir-up more interest in the Association.
