They will watch the parade from the reviewing stand area and will be transported back to their hotels afterwards.

He also hoped that some or all would be available on Friday morning for competition and the awards party afterwards.

If any unit or Temple would like to be involved with the procession prior to the parade, please contact **Dave Karl**.

NEW BUSINESS:

Following competition we will begin to accept sealed bids for the existing Motor Corp Trailer to be sold “as is” with no warranties or guaranties implied. The bids will be accepted until the start of the November Officers meeting, when they will be opened and a winning bid revealed. The buyer will be required to contact **Leon Stocks** to arrange for payment and pick-up of the trailer by January 15, 2016.

The sealed bids should be given to the **Dale Zimmerman**, Secretary personally, or mailed to him at 52 Racehorse Dr. Jonestown, PA 17038.

A proposal was made by Boumi Motor Corp to allow both motorcycles and trikes to ride in separate obstacle courses even if they ride together in the drill competition provided they pay a separate entry fee and report for inspection to receive a scoring packet for the obstacle course.
